

ATTESTATION OF COMPLIANCE WITH MMA COVID-19 SAFETY POLICY

In order to attend this MMA Event (“Event”), I hereby attest and agree to the following:

1. I have received a copy of the MINNESOTA MEDICAL ASSOCIATION COVID-19 SAFETY POLICY FOR EVENTS and agree to abide by its terms as they may be modified by the MMA:

2. As of the date of the Event, I am/will be:

a. Fully vaccinated against COVID-19 by the first date of the Event. For purposes of this Policy, “fully vaccinated” means two weeks after receiving a second dose in a two-dose series, or two weeks after the single-dose J&J/Janssen vaccine. Fully vaccinated, however, is not the same as having the best protection. The MMA strongly encourages all attendees to maximize their protection by being up to date on their protection, which includes getting boosters when eligible. If requested by MMA, I shall provide proof of my vaccination status and/or other additional information that MMA may require to substantiate my status;

b. If symptomatic, decline to attend (refund provided); and

c. Agree to notify the MMA of a positive test result within 14 days of the event.

I declare under the laws of the United States of America that the foregoing statements are true and correct.
