

Thank You, Preceptors

FOR TEACHING OUR FUTURE PHYSICIANS!

From the MMA

"Physicians who serve as preceptors demonstrate commitment to the future of the medical profession. We want to say **thank you** to those physicians who take the time to help shape our next generation of physicians." **DAVID THORSON, MD** PRESIDENT

From the U of M Medical School

"The work of preceptors has a huge impact on our students as they learn about clinical medicine and what it means to be a physician. **We are so appreciative of their time and effort.**" **MARK ROSENBERG, MD** VICE DEAN FOR EDUCATION

From medical students

"The numerous hours spent teaching have had an invaluable effect on me."

"Thank you to all preceptors for everything you do."

"I'm so fortunate to have been educated by my preceptor."

"Thank you for doing the work you do so well."

"My preceptor has shown kindness, generosity, intellect, and compassion – things I hope to emulate every day."

"I never realized how grateful a patient can be when you take an interest in their life."

"Thank you for sharing your patience with me."
